# PUT THE MAGIC BACK INTO YOUR BUSINESS.

**M**ighty warriors, heroes, sword-swinging heroines, magic potions, and dragon-riding armored knights are all part of the amazing GOLDEN AXE adventure.

GOLDEN AXE is a video game kit that brings adventure and story-telling magic back to the video screen. And revenue to the operator.

To capture all the fanciful magic of GOLDEN AXE, Sega has created animation-style graphics and stunning

special effects. The results are phenomenal. One or two players can choose between three story heroes. Players must battle a series of villains that include "the big faties," armored knights, and vicious, dragon-riding warriors as they pursue the evil "Death Adder." Continuous play lets players battle their way through nine levels to the ultimate confrontation.

Like all SEGA kits, GOLDEN AXE includes a circuit board, wiring harness (JAMMA compatible), complete graphics package, and an in-cabinet operator control panel with volume control, service switch, and test switch.

Let GOLDEN AXE work some of its magic on your profits. Call your authorized SEGA distributor for more information. SEGA Enterprises, Inc., (USA), 2149 Paragon Drive, P.O. Box 680550, San Jose, CA 95061-0550. (408) 435-0201.

**Winners don't  
use drugs**
